Marianist LIFE is celebrating thirty-five years as a ministry of the Marianist Province of the United States. Marianist LIFE is a faith formation experience that fosters and nourishes small faith communities in high schools, parishes, colleges, and universities throughout the continental United States, Hawaii and Puerto Rico. Reflecting the Marianist charism, high school students and young adults have many opportunities to participate in Marianist LIFE Communities, summer LIFE weeks, Marianist Young Adult retreats, and eventually Marianist Lay Communities. Marianist LIFE provides individuals the opportunity to fulfill Blessed William Joseph Chaminade's vision of small Christian communities changing the world.

Ohana Project

Marianist LIFE will never deny a student the opportunity for involvement due to personal or familial financial hardship. The *Ohana Project* is a fundraising endeavor that allows high school students the opportunity to attend a summer LIFE week in California, Ohio, or Texas, with partial or full financial assistance from Marianist LIFE. *Ohana* is derived from the Hawaiian word, "family."
