

Archbishop Moeller Faculty Comments

“This is awesome, our most powerful teaching tools are our actions.” – Gail Dorsey, Guidance

“Our spring FAC-ACT at Moeller is the best in service day experience that I have been a part of in 41 years of teaching at Moeller.” – Mike Cameron, Health

“We went to Elmoe and found a four story home in great need of remodeling and cleaning. My first impression was a little negative in that it was such a monumental project, the need was so great. But then I looked out the windows on the top floor and saw the beautiful spring flowers of a dogwood tree framed in the window. And there was the connection: this project isn't about building walls, it is about building hope, building community, building a future. It is bigger than Moeller/Elder. Our greater Moeller family must always keep the bigger picture in front of our service projects: it's not about a quota of service hours; it is about the flowers in the window. What a beautiful spring day it was.” – Bob Tull, Government
