

REPRINT OF THE *RULE OF LIFE*

The reprinting of the *Rule of Life* of the Society of Mary with the changes made by the General Chapters of 2001 and 2006 is now completed. Copies have been distributed to all of the stateside communities and will be sent to our overseas districts.

After all of the proofreading and rechecking that was done, several mistakes got by the eyes of our expert proofreaders in the reprinting of the *Rule of Life*. These mistakes show up in the section on the “References in the *Rule of Life*” in the new printed version. When we sent the WORD document to the company doing the printing, the numbering was correct but some of the formatting got changed when the printer changed to a different word-processing program. We thought we had caught all of the errors after several reviews of the proofs. However, we did not catch a couple of errors. Here are the mistakes in the printing:

- Page 152—in the article column, the numbering goes 3.2; 3.3; and then jumps to 4.4. This 4.4. should be 3.4
- Page 153—in the article column, the numbering goes 4.12; 4.13; and then the next four articles have a 14 instead of a 4 in front of the article. Instead of 14.14; 14.15; 14.16; and 14.17, it should read 4.14; 4.15; 4.16; and 4.17.
