St. Anthony students give cheer to Hale Makua

WAILUKU –St. Anthony Junior-Senior High School's MLB Players Trust Action Team, along with members of the LIFE Team, Student Government, Interact Club, and Key Club put on an event that will long be remembered at Hale Makua-Wailuku. On Friday, December 4th, while some students of St. Anthony Junior-Senior High School transformed the dining hall into a "Winter Wonderland" for the residents, others were in the recreation room making the residents beautiful by applying make-up, and nail polish. The Valley Isle Kiwanis Club provided bouquets of roses for each resident, and took pictures that they processed, framed and presented to the residents that evening.

The St. Anthony Campus Music Ministry, directed by Mr. Ernest Mendoza, sang Christmas Carols during the evening. Joining the Carolers and welcoming the residents to the event was the Honorable Charmaine Tavares. Members of the Rotary Club of Maui were also on hand to share the festivities with the residents and join in the caroling. As an added treat, the St. Anthony Drama Club, directed by Virginia Sandell, performed the "Night Before Christmas" story.

This was the third annual Senior Ball the students at St. Anthony Junior-Senior High School have planned for the residents, and hope they hope that it will continue for many years to come.
