

## Saint Louis School Marianist LIFE Team Expectations

The following is expected from all participating Marianist LIFE Team Members:

- Model the Marianist Charism, in addition to the Marianist LIFE skills inside and outside of Marianist LIFE meetings. You are a faith leader, and you represent the program and the school community. Work to live these in your life. Model these charisms and skills to one another.
- Bring a positive attitude to the Marianist LIFE program. Be open to others' ideas and support one another. Remain open criticism and validation. Share your enthusiasm for Marianist LIFE with others.
- Make your best effort to be present at all Marianist LIFE activities. We want you to share all of your gifts, plus your self; your presence builds up the Marianist LIFE program as well as the Marianist LIFE leadership team.
- Communicate your needs to the group. Be honest with your feelings and share with people how you feel. Also listen to others' needs and support them to the best of your ability.
- Remain open to others as well as to compromise. Remember the needs of the Marianist LIFE program and the people who are involved in this program.
- Do your best to complete your tasks to the best of your ability. We all share responsibility for the program and your contribution is needed. If you cannot complete your task, please ask for help.
- Welcome God into the Marianist LIFE and into your life. We are called to Live in Faith Experiences and share this journey with God and with others.

We ask you to fulfill these expectations to the best of your ability and to promote the Marianist LIFE mission. Please sign this commitment indicating your promise to uphold the role of Marianist LIFE Mission Leader.
