

## MARIANIST MONDAY 7: How Much Do You Know about the Marianists?

TOPIC: Marianist Quiz---One Word at a Time

PURPOSE: To have members work together to test their knowledge of things Marianist.

PROCEDURE:

1. Explain that the group will answer questions about the Marianists and Chaminade-Madonna---but each person can only say one word at a time to create an statement that makes sense and answers the question completely and correctly.

Every one needs to listen carefully and pay attention so that they are ready to add their word quickly---if they get stuck they need to add a word that will keep the statement going.

2. Questions:

\*\*\*The first people to answer should start by rephrasing the question as part of the answer(Example for question one: The---founders---of---the---Marianists----..... )

\*\*\*Once a question has been answered, start the next question with the next person so that everyone contributes---challenge the group to try and use as many people as possible to answer the question.
