## Establishment of St. Joseph Chaminade Academy

PAGE 1

As you are well aware of, we have begun a new mission at Deepahalli. The establishment of this school has been a dream for many years and now we have begun with the program. The school at present is registered under the government of Karnataka. We are permitted to run the school until the 5th standard. There were many brothers who were the members of the planning committee. We thank Fr. Bhaskar, Fr. Jack, Fr. Ignase, Fr. Varghese, Bro. Prakash, and Bro. Britto for their valuable suggestions which helped us to plan for the school.

The school is named after our beloved founder Bl. Fr. William Joseph Chaminade. The admissions have begun and there is a flow of admissions since the middle of April, 2014. Due to our delay in advertisement and the establishment of the classrooms, we missed few admissions who have found some other schools even though they are close to our school. However, we hope to have a good number of children who would be admitted in the coming month.

The administration of the school and the committee request your continual prayer and support. We also thank the district administration for their generous support and concern to strengthen the program.

### FIRST DAY OF SCHOOL AT ST. JOSEPH CHAMINADE ACADEMY

June, 16<sup>th</sup> was the first day of the school. The assembly started at 8.40am with all the students gathering in the portico.
