

The Marianists

Bro. Peter Pontolillo

60 years of profession

I have been blessed and privileged to have been able to serve Our Blessed Mother, the Society of Mary and many others in so many ways.

In March 2013, I moved to Hollywood, Florida, where I live at the Marianist Community and am in ministry at Chaminade-Madonna College Preparatory. I have served in various roles there, including assistant to the president, director/coordinator of Marianist mission integration, Marianist administrator from 2014 to 2015 and have assisted in major donor solicitation as a major donor officer. I also serve as athletic department chaplain for the school.
