

Publication schedule for 2018

In general, *FamilyOnline* will be published on the second Thursday of the month

We welcome and encourage submissions of interest to our nearly 3,400 subscribers. Please send them to Bernadette McCaffrey Groner on or before the Monday eight working days before publication. We may be able to make exceptions for events that happen closer to publication; please send information as soon as you can.

Requests and suggestions

- The best stories and photos are those that display something different, new or wonderful about the Marianist Family.
- Please be sure to include who, what, when, where and why in the information you send.
- Photos that show people *doing* something – not just posing for a group photo – are always more interesting and are preferred. Photos should be sharp and well-exposed.
- Please rename your photos something descriptive. Keeping track of photos labeled “IMG_648” or “DSC_9876” can be a challenge.
