A LIFE OF MIRACLES

Yes — 31,755 times that I received Eucharist. The first, in second grade, to a boy of 6. They followed daily for 12 years. My food from heaven, Jesus, my Brother. Body and soul.

Attending Catholic schools for 12 years and serving Mass on non-school days.

Following graduation, I entered the Marianists.

The daily Eucharist has been my daily visit to heaven.

I have met too many of God's children to give a number. Each one has been a JOY and made me a better person.

All of you who have helped me to glorify God, even more, in these 75 years, I thank you!

Mother Mary, you were always with me.

MARIA DUCE!
