

Chaminade Julienne Catholic High School (CJ), a co-ed school located in the center-city of Dayton, Ohio serving an academically and socio-economically diverse student population of nearly 700 young people, seeks an outstanding educator and leader to serve as the school's principal starting on July 1, 2020. A candidate must be a practicing Catholic and have a masters degree in educational administration, a principal's license in the state of Ohio, at least three years of classroom experience, and at least four years of administrative experience. Reporting to the president and serving as a member of the school leadership team, the principal has leadership responsibility for the academic program, student activities and athletics, campus ministry and community service, teacher evaluation and development, and all state and Archdiocesan compliance activities. The successful candidate will be able to demonstrate an understanding of and appreciation for the charisms of the school's founding and sponsoring religious communities, the Sisters of Notre Dame de Namur and the Marianists.

In 2020, Chaminade Julienne will celebrate 170 years since the founding of its first predecessor school. The school recently completed significant investments to its campus, including renovation of the auditorium, gym, and nearly all teaching and learning spaces and the addition of tennis courts and a stadium complex with two fields. CJ's current principal, who helped guide the school for fourteen years, will be transitioning in October to another leadership role in the school community. The school will be guided during the 2019-2020 school year by an assistant principal named acting principal. More information about CJ, its mission, students, and community can be found at www.cjeagles.org.

Indications of interest should be sent no later than October 11, 2019 to Mrs. Katie Espino, assistant to the president, and should include a cover letter summarizing interest and qualifications, a complete resume (references will be sought at a later date), and a one page statement outlining the candidate's educational philosophy.
