

## **BROTHER FRANK O'DONNELL**

*Celebrating 60 years of profession*

I often say to people that I have been blessed during my 60 years of ministry to do ministry that I enjoyed doing. Whether it was: teaching in the classroom (and 60 years later, I am still in touch with former students and their parents); helping to create the first Marianist Sharing Fund in the New York Province; working in the Maryland Legislature; or being active on several boards that serve legal services groups, religious communities, Marianist schools and social justice organizations, I have been happy and fulfilled in that ministry.

My 11 years in Province vocation ministry, I found to be a deeply privileged time as I walked with men discerning their call in life. The vow class of January 1960 has been a great group of friends over the years, and I am grateful to them.
