

## PRE-NOVICE NATALIE ROSS

**Natalie Ross** grew up in north Texas and attended a Marianist high school, where she was very involved in the band program. She then attended the University of Texas, majoring in Religious Studies, and has lived and worked in Austin ever since. She enjoys taking walks through the neighborhood, reading, drawing, spending time with friends and family, and trying to keep her plants alive. Natalie connected with the Marianist Sisters through a discernment retreat in college, and is excited to take this step forward to discern Marianist religious life in a deeper way.
