

## **BROTHER FERMÍN GARCÍA GARCÍA**

*Celebrating 25 years of profession*

During these 25 years in the Society of Mary, I have experienced and lived many moments of joy. God has given me the opportunity to work at tasks according to my abilities, and I have done so with much joy and satisfaction. My only desire has been and will be to serve, not in my own name, but in the name of the good Master who has invited me to his mission. Being here gives me the assurance that the love and grace of God is much greater than anything I can be or do.

I give thanks to God for giving me the grace to see the negative things in me that I could not see myself. I thank Him for the gift of my vocation and for each one of my brothers who have accompanied me during this time. I ask the Lord to help me persevere in the Society of Mary and that from today on, I might renew and convert my heart to respond with fidelity to God. I also ask each one of my Brothers to continue to pray for me and to correct me when that is necessary.
