

Nathan Martin – Executive Director of MRCC

Nathan comes to the Marianist Retreat Center from the Society of St. Vincent de Paul's National Council, where he spent more than nine years in fundraising. Before that, he worked for the National Alliance on Mental Illness – St. Louis as their Director of Development.

While attending Duchesne High School, Nathan participated in a retreat at the Marianist Retreat Center. Now, many years later, he serves as its Executive Director.

As a parishioner at St. Cletus in St. Charles, MO, Nathan attends Mass with his wife, Rachel, and son, Trace. For fun, Nathan enjoys spending time outdoors, especially at the “family farm” that was originally owned by his great-grandfather.

You can reach Nathan by email at executive-director@marianistretreat.com.
