

## Paul Masek - Director of Programs at MRCC

Hello, my name is Paul Masek, and I am thrilled to be serving as the program director at the Marianist Retreat and Conference Center.

I have been married to my beautiful wife Lisa for more than 30 years. We have four incredible adult children, and for fun, I love hunting, fishing, camping, hiking, and telling dad jokes. I am the funniest person I know, though my wife says I don't know enough people (so, maybe she is funnier)!

My history with MRCC goes all the way back to 1981, when I attended a retreat here as a high school senior at Mercy High School

I have attended, organized, and presented thousands of retreats for young people of all ages throughout my career. I love this place so much; God is doing great things here at MRCC and through our outreach programs. I can't wait to see what the future holds for us!
