

Chaminade-Madonna College Prep, FL, initiates programs based on the Global Compact on Education

Updated: Feb 27

Bro. Jack Ventura, SM, Ministry Lead of Chaminade-Madonna College Preparatory, Hollywood, FL, sends us this update about the school's new programs emerging out of three of the seven commitments of the Global Compact on Education.

National Girls and Women in Sports Day

To encourage the full participation of girls and young women in education and all aspects of a school community.

Wednesday, February 1, was National Girls and Women in Sports Day. In honor of this, Women Engaged (a club at CMCP) collaborated with Athletics and the Office of Advancement to host a Women in Sports Panel after school on Tuesday, January 31.

The panelists, made up of alums and staff, spoke to our female student-athletes about their experience playing sports at the next level. Thank you to our panelists Tricia Brown R.N., Valerie Miyares '98, Bridget Callahan '14, and Emily Loutzenhiser '14 for sharing your experiences with fellow Lions!
